1/4/2023	dennisee.heller@gmail.com	Dennis Heller	Paul Rippey	Stories Told Through Song	There are many reasons songs are written; sometimes to let people join in song; sometimes to express joy or regret; sometimes just for fun and sometimes to tell a story. A good example of a story song is Deportee by Woody Guthrie. Other song writers might include Harry Chapin, Kris Kristofferson and Dan Fogelberg. Bring your favorite story in song to share.	Song Circle	1/28/23 9:00	Fireside	Saturday Morning, Saturday afternoon, Sunday Afternoon
1/14/2023	catamariner@gmail.com	Heather Preston	David Kidman	Rainy Songs - a BYO circle	Bring your rainy songs -- as long as they mention rain, they can even be sunny songs!	Song Circle	1/28/2023 9:00	Lundgren	Saturday Morning, Saturday afternoon
	sadieballads@gmail.com	Sadie Damascus	Casey Casebeer	CHILD BALLADS	Ballads are old traditional narrative songs, usually sung without accompaniment. This workshop will be a song Circle for the "English and Scottish Popular Ballads" collected by Professor Francis Child. There are 305 ballad families listed in Child's five-volume collection, and many modern versions of the old songs have been created. The Child Ballads include songs of love, drama, family entanglements, war, sailors, robbers, kings and queens, feuds, comic stories, tragedies, ghosts, magic people and animals, farmers, the devil, beggars, musicians, contests, biblical stories and myths, love, kidnapping, enchantment, wagers, marriage, luck and fate, elves, faerie, lords and ladies, revenge, partnership, battles, family complications, trickery, spirits, maidens, duels, conspiracies, murder, mistaken identity, shape-changing, people of the cloth, monsters, riddles, rescues, love, highwaymen, foolishness, cruelty, salvation, justice, injustice, giants, jokes, supernatural creatures, religion, confession, duplicity, conquest, bro, torment, illusion, betrayal, concealment, class conflict, gender conflict, accidents, curses, disguises, seductions, bride-stealing, unrequited love, martyrs, ships' captains, grief, courtship, executions, love-testing, weddings, imprisonment, treasures, matchmaking, treachery, miracles, highwaymen, cabin boys, prisoners, pirates, lovers' quarrels, penance, courtiers, magical warnings, mermaids, tavernkeepers, religious strife, elopement, soldiers, hunting, woodsmen, and serendipity... (You can stop me any time, but I'm not even done).	Song Circle	1/28/23 9:00	Lundgren	Sunday Afternoon

1/12/2023	diplocase9919@yahoo.com	Casey Casebeer	David Kidman	What's a Roud Number?	Casey will take ten minutes to explain what it means for a song to have a Roud Number, a Child number, or a Laws number, and give you the link to a handout. The rest of the time participants will have a chance to share a song that has a Roud number, indicating that it was collected from the oral tradition at some point. Wondering if your song has a Roud number? Look it up here: https://www.vwml.org/vwml-help-2#	short presentation follow	1/28/23 10:30	Fireside	Saturday Morning, Saturday afternoon, Sunday Morning, Sunday Afternoon
