

But they couldn't stop you dreaming
 And a victory you have won
 For you sowed the seeds of freedom
 In your daughters and your sons

In your daughters and your sons
 Your daughters and your sons
 You sowed the seeds of freedom
 In your daughters and your sons

Your weary smile it proudly hides
 The chainmarks on your hands
 As you bravely strive to realise
 The rights of everyman
 And though your body's bent and low
 A victory you have won
 For you sowed the seeds of justice
 In your daughters and your sons

I don't know your religion
 But one day I heard you pray
 For a world where everyone can work
 And children they can play
 And though you never got your share
 Of the victories you have won
 You sowed the seeds of equality
 In your daughters and your sons

They taunted you in Belfast
 And they tortured you in Spain
 And in that Warsaw ghetto
 Where they tied you up in chains
 In Vietnam and in Chile
 Where they came with tanks and guns
 It's there you sowed the seeds of peace
 In your daughters and your sons

And now your music's playing
 And the writing's on the wall
 And all the dreams you painted
 Can be seen by one and all
 Now you've got them thinking
 And the future's just begun
 For you sowed the seeds of freedom
 In your daughters and your sons

Ain't Gonna Let Nobody Turn Me Around

Ain't gonna let nobody turn me 'round,
 Turn me round, turn me 'round.
 Ain't gonna let nobody, turn me 'round.
 I'm gonna keep on a walkin', keep on a talkin',
 Marching up to freedom land.

- Ain't gonna let racism turn me 'round
- Ain't gonna let no poverty
- Ain't gonna let no war economy
- Ain't gonna let no President
- Ain't gonna let no Congress
- Ain't gonna let nobody

Blowing in the Wind

(Bob Dylan)

How many roads must a man walk down
 Before they call him a man
 How many seas must a white dove sail
 Before she sleeps in the sand
 How many times must the cannonballs fly
 Before they are forever banned
 The answer, my friend, is blowing in the wind
 The answer is blowing in the wind

How many years must a mountain exist
 Before it is washed to the sea
 How many years can some people exist
 Before they're allowed to be free

We will raise our voice for justice

[Bruce Baker Oct 2018 \(play link\)](#)

Dedicated to the 8th Northwest UU Justice Summit

We will raise our voice for justice,	D G D
For our daughters and our sons	G G A
We will raise our voice for justice	D G D
Everywhere and everyone	G G A
Hear our voices rising louder	D G D
As we sing for love and peace	G A
We sing for truth we sing for freedom	D G D
And immigrants release	G A D

We are made from many colors	G A D
And come from many lands	G A D
We worked to build our cities up	G A D
With tools and with our hands	G A
Building our community	G A D
In our work and with our play	G A D
Our common vision is our strength	G D
We live that every day	G A D

The oppressed and the homeless
 Begging for relief
 People turn their heads and look away
 They cannot bear the grief
 We must extend our hands and hearts
 And help them find a way
 They're human just like you and me
 We'll lift them on belay

Now we've seen our very fabric
 Challenged by attack
 From places unexpected
 Our nerves it well does wrack
 We've come too far to turn around
 To lose sight of our goal
 We'll make love triumph over hate
 That is our very role

Your Daughters And Your Sons

[A song by Tommy Sands©1985 Tommy Sands](#)

They wouldn't hear your music
 And they pulled your paintings down
 They wouldn't hear your writing
 And they banned you from the town

We are a land of many colors
and we are singing, singing for our lives

We are gay and straight together
and we are singing, singing for our lives

We are a gentle, loving people
and we are singing, singing for our lives

We Shall Not Be Moved

The Seekers

Well I'm on my way to heaven
We shall not be moved
On my way to heaven
We shall not be moved
Just like a tree that's standing by the water side
We shall not be moved

We shall not we shall not be moved
We shall not we shall not be moved
Just like a tree that's standing by the water side
We shall not be moved

On the road to freedom
We shall not be moved
On the road to freedom
We shall not be moved
Just like a tree that's standing by the water side
We shall not be moved

We shall not we shall not be moved
We shall not we shall not be moved
Just like a tree that's standing by the water side
We shall not be moved

We're brothers together
We shall not be moved
We're brothers together
We shall not be moved
Just like a tree that's standing by the water side
We shall not be moved

We shall not we shall not be moved
We shall not we shall not be moved
Just like a tree that's standing by the water side
We shall not be moved

Songwriters: Steve Brown / Steven James Brown

How many times can a man turn his head
And pretend that he just don't see
The answer, my friend, is blowing in the wind
The answer is blowing in the wind

How many times must a man look up
Before he can see the sky
How many years must one man have
Before he can hear people cry
How many deaths will it take till he knows
That too many people have died
The answer, my friend, is blowing in the wind
The answer is blowing in the wind

Blue Boat Home – Peter Mayer

C C F G
Though below me I feel no motion
C Am G C
Standing on these mountains and plains
C C F G
Far away from the rolling ocean
C Am G C
Still my dry land heart can say
Em Em Dm G
I've been sailing all my life now
C Am C G
Never harbor nor port have I known
C F C G
The wide universe is the ocean I travel
C F C G C
And the Earth is my blue boat home

Sun, my sail, and moon my rudder
As I ply the starry sea
Leaning over the edge in wonder
Casting questions into the deep
Drifting here with my ship's companions
All we kindred pilgrim souls
Making our way by the lights of the heavens
In our beautiful blue boat home

I give thanks to the waves upholding me
Hail the great winds urging me on
Greet the infinite sea before me
Sing the sky my sailor's song

Oh deep in my heart, I do believe
That we shall overcome someday

We are not afraid, we are not afraid
We are not afraid today
Oh deep in my heart, I do believe
That we shall overcome someday

Where have all the flowers gone?
(Pete Seeger)

Where have all the flowers gone?
Long time passing.
Where have all the flowers gone?
Long time ago.
Where have all the flowers gone?
The girls picked them ev'ry one.
When will they ever learn?
When will they ever learn?

Where have all the young girls gone? (3x)
They've taken husbands ev'ry one.

Where have all the young men gone? (3x)
Gone to Soldiers every one

Where have all the soldiers gone? (3x)
They've gone to graveyards ev'ry one.

Where have all the graveyards gone? (3x)
They're gone to flowers ev'ry one.

Where have all the flowers gone? (3x)
Young girls picked them ev'ry one.
When will they ever learn?
When will they ever learn?

WELL MAY THE WORLD GO

(Pete Seeger, 1973)

Well may the world go,
The world go, the world go.
Well may the world go,
When I'm far away.

Well may the skiers turn,
The swimmers churn, the lovers burn
Peace, may the generals learn
When I'm far away.

Sweet may the fiddle sound
The banjo play the old hoe down
Dancers swing round and round
When I'm far away.

Fresh may the breezes blow
Clear may the streams flow
Blue above, green below
When I'm far away.

WE SHALL OVERCOME

We shall overcome, we shall overcome
We shall overcome someday
Oh deep in my heart, I do believe
That we shall overcome someday

We'll walk hand in hand, we'll walk hand in hand
We'll walk hand in hand someday
Oh deep in my heart, I do believe
That we shall overcome someday

We shall live in peace, we shall live in peace
We shall live in peace someday
Oh deep in my heart, I do believe
That we shall overcome someday

We shall brothers be, we shall brothers be
We shall brothers be someday
Oh deep in my heart, I do believe
That we shall overcome someday

The truth shall make us free, truth shall make us free
The truth shall make us free someday

I was born upon the fathoms
Never harbor or port have I known
The wide universe is the ocean I travel
And the earth is my blue boat home

Common Thread

[Pat Humphries](#)

In a many colored garden we are rising side by side,
We will rise all together, we will rise.
With the sun and rain upon us, not a row will be denied,
We will rise all together, we will rise.

Chorus

*We will rise like the ocean, we will rise like the sun.
We will rise all together, we will rise.
•In our many colored fabrics, made from strands of common thread•
We will rise all together, we will rise.*

We can feed our grain to cattle and the rich man will be fed.
We will rise all together, we will rise.
Or we'll feed our grain to people so that millions will have bread.
We will rise all together, we will rise.

Chorus

•No more will there be hunger in these strands of common thread.•

We'll defy the threat of violence, we'll no longer live in fright.
We will rise all together, we will rise.
With our arms around our neighbors we will walk into the light.
We will rise all together, we will rise.

Chorus

•We will weave a freedom fabric from these strands of common thread.•

From our children to our aged, we will rise, we will rise.
We will rise from all nations, we will rise.
We will build a global family made from strands of common thread.
We will rise all together, we will rise.

Chorus

•We will build a global family strengthened by our common threads.

Do it Now

Music: Traditional *Bella Ciao*, Lyrics: Nic Balthazar and Stef Kamil Carlens, 2012.

1. We need to wake up
We need to wise up
We need to open our eyes
And do it now now now
We need to build a better future
And we need to start right now

2. We're on a planet
That has a problem
We've got to solve it, get involved
And do it now now now
We need to build a better future
And we need to start right now

3. Make it greener
Make it cleaner
Make it last, make it fast
and do it now now now
We need to build a better future
And we need to start right now

4. No more waiting
Or hesitating
We must get wise, take no more lies
And do it now now now
We need to build a better future
And we need to start right no

Dona Nobis Pacem (Round)

For the Earth forever turning Kim Oler

For the earth, forever turning;
For the skies, for all the seas;
For our lives, for all we cherish,
Sing we our joyful song of peace.

For the mountains, hills, and pastures;
In their silent majesty;
For the stars, for all the heavens,
Sing we our joyful song of peace.

For the sun, for rain and thunder,

As I went walking, I saw a sign there;
On the sign it said NO TRESPASSING,
But on the other side it didn't say nothing--
That side was made for you and me!

This little light of mine

This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
Let it shine, let it shine, let it shine

Deep Down in my heart, I'm gonna let it shine
Deep Down in my heart, I'm gonna let it shine
Deep Down in my heart, I'm gonna let it shine
Let it shine, let it shine, let it shine

Everywhere I go, I'm gonna let it shine
Everywhere I go, I'm gonna let it shine
Everywhere I go, I'm gonna let it shine
Let it shine, let it shine, let it shine

This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
Let it shine, let it shine, let it shine

THIS LAND IS YOUR LAND

(Woody Guthrie)

This land is your land, this land is my land
From California to the New York Island,
From the redwood forest to the gulf stream water,
This land was made for you and me.

As I went walking that ribbon of highway
I saw above me that endless skyway,
I saw below me that golden valley
This land was made for you and me.

I roamed and I rambled and I followed my footsteps
O'er the sparkling sands of her diamond deserts,
While all around me a voice was sounding,
This land was made for you and me.

In the squares of the city, in the shadow of the steeple
In the relief office, I seen my people;
As they stood there hungry I stood there asking,
--Is this land made for you and me?

For the seasons' harmony;
For our lives, for all creation,
Sing we our joyful praise to Thee.

For the world we raise our voices,
For the home that gives us birth;
In our joy, we sing, returning,
Home to our blue-green hills of earth.

If not Now

Carrie Newcomer [link](#)

If not now, tell me when
If not now, tell me when.
We may never see this moment or place in time again
If not now, if not now, tell me when.

I see sorrow and trouble in this land
I see sorrow and trouble in this land
Although there will be struggle we'll make the change we can.
If not now, if not now, tell me when.

I may never see the promised land.
I may never see the promised land.
And yet we'll take the journey
And walk it hand in hand
If not now, tell me when.

Chorus

(bridge) So we'll work it 'til it's done
Every daughter every son,

Every soul that ever longed for something better,
Something brighter.

It will take a change of heart for this to mend.
It will take a change of heart for this to mend.
But miracles do happen every shining now and then
If not now, tell me when?

If not now, Tell me when.
But miracles do happen every shining now and then.
If not now, if not now, tell me when.
If not now, if not now, tell me when.

If I had a hammer words and music by Lee Hays and Pete Seeger

If I had a hammer
I'd hammer in the morning
I'd hammer in the evening
All over this land
I'd hammer out danger
I'd hammer out a warning
I'd hammer out love between my brothers and my sisters
All over this land

If I had a bell
I'd ring it in the morning
I'd ring it in the evening
All over this land
I'd ring out danger
I'd ring out a warning
I'd ring out love between my brothers and my sisters
All over this land

If I had a song
I'd sing it in the morning
I'd sing it in the evening
All over this land
I'd sing out danger
I'd sing out a warning
I'd sing out love between my brothers and my sisters
All over this land

Well I've got a hammer
And I've got a bell
And I've got a song to sing

We are marching, marching, We are marching, marching
We are marching in the light of Love (2x)

Somebody's Hurting My Brother

by Yara Allen (Poor Peoples Campaign)

Somebody's hurting my brother
and it's gone on far too long
Yes, it's gone on far too long
It's gone on far too long
I said, somebody's hurting my brother
and it's gone on far too long
And we won't be silent anymore

- Somebody's hurting my sister...
- Somebody wants to build that wall...
- Somebody's hurting poor people...
- Somebody's hurting our children...
- Somebody's poisoning the water
- Somebody's ignoring the homeless...
- Somebody's closing our borders...
- Somebody's hurting our families...

SOMOS EL BARCO

(Lorre Wyatt)

The stream sings it to the river, the river sings it to the sea
The sea sings it to the boat that carries you and me

Somos el barco, somos el mar
Yo navego en ti, tu navegas en mi
We are the boat, we are the sea
I sail in you, you sail in me

Now, the boat we are sailing in was built by many hands
And the sea we are sailing on, it touches many sands

O the voyage has been long and hard and yet we're sailing still
With a song to help us pull together, if we only will

So with our hopes we raise the sails to face the winds once more
And with our hearts we chart the waters never sailed before

We work together every day
Shine the light on Love

We are women, we are men
Shine the light on Justice

We will fight until we win
Shine the light on Love

We know the answer is love
Shine the light on Justice

We will soar just like a dove
Shine the light on Love

Singing through the Hard Times

[Utah Phillips](#)

Sometimes our living gets so dark and lonesome
It seems like there's nothing we can do
So we reach out to each other, raise a song together
Let our voices carry us through

We are singing through the hard times, singing through the hard times
Working for the good times to come
We are singing through the hard times, singing through the hard times
Working for the good times to come

And when the war clouds gather
It's so easy to get angry and just as hard not to be afraid
But you know in you know in your own heart
No matter what happens
You just cannot turn your back and walk away

So hand and hand together, we help each other carry
The light of peace that's within in us everyday
We can learn to live it, just walk the talk and give it
That world of peace won't be so far away

I'm Gonna Walk It With You

[Brian Clafin and Ellie Grace](#)

Well it looks like it might be a hard road, but I'm gonna walk it with you
And I know you might have a heavy load, but I can carry some too
I will lift you up when they push you down, I will raise my voice and stand my ground
Well it looks like it might be a hard road, but I'm gonna walk it with you

Well it looks like it might be a long night, but I ain't goin' nowhere
And I know it's gonna be a hard fight, but I will stay right here
I will shine a light in the darkest hour, I will face the man in the tallest tower
Well it looks like it might be a long night, but I ain't goin' nowhere

I will work! I will fight! I will strive in the name love
I will speak! I will shout! I will sing it to the skies above

Well it looks like it might be a perilous climb, but I will follow your lead
And I know it might be a long time until the last one of us is freed
But I will hold on tight, stay by your side, I will be with you for this whole damn ride
Well it looks like it might be a perilous climb, but I will follow your lead

Well it looks like it might be a hard road, but I'm gonna walk it with you
And I know you might have a heavy load, but I can carry some too
I will lift you up when they push you down, I will raise my voice and stand my ground

Last night I had the strangest dream

([Ed McCurdy](#))

Last night I had the strangest dream,
I never dreamed before.
I dreamed the world had all agreed
To put an end to war.
I dreamed I saw a mighty room,
The room was filled with men.
And the papers they were signing said
They'd never fight again.

And when the papers were all signed,
And a million copies made
They all joined hands and bowed their heads
And grateful prayers were made.
And the people in the streets below,
They all danced round and round.
And guns and swords and uniforms
Were scattered on the ground.

Last night I had the strangest dream,
I never dreamed before.
I dreamed the world had all agreed
To put an end to war.
I dreamed I saw a mighty room,
The room was filled with men.
And the papers they were signing said
They'd never fight again.

Lean on Me

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

Please swallow your pride
If I have faith you need to borrow
For no one can fill those of your needs
That you won't let show

And we'll call this earth our home.

We have known the atom, the power and pain
We've seen people fall beneath the killing rain
If the mind still reasons and the soul remains
It shall never be again.

Peace grows from a tiny seed
As the acorn grows into the tallest tree
Many years ago I heard a soldier say
When people want peace, better get out of the way.

Peace Salaam Shalom

Peace Salaam Shalom (4x)

We believe in Peace (4x)

We will work for peace (4x)

Peace Salaam Shalom (4x)

We are walking down the street
Shine the light on Justice
Shake the hand of all we meet
Shine the light on Love

Shine the light, Shine the light
Shine the light on Justice
Shine the light, Shine the light
Shine the light on Love

We are many colors bright
Shine the light on Justice
We will carry on this fight
Shine the light on Love

When the politics turn dark
Shine the light on Justice
We will light that tiny spark
Shine the light on Love

We are straight and we are gay
Shine the light on Justice

Oh, freedom!
Oh, freedom!
Oh, freedom over me!

I'll be buried in my grave

Paradise

[John Prine](#)

When I was a child, my family would travel
Down to western Kentucky where my parents were born
And there's a backwoods old town that's often remembered
So many times that my memories are worn

And daddy, won't you take me back to Muhlenberg County
Down by the Green river where Paradise lay
Well I'm sorry my son, but you're too late in asking
Mr. Peabody's coal train has hauled it away.

Well sometimes we'd travel right down the Green river
To the abandoned old prison down by Adrien hill.
Where the air smelled like snakes, and we'd shoot with our pistols
But empty pop bottles was all we would kill.

Then the coal company came with the world's largest shovel
And they tortured the timber and stripped all the land
Well, they dug for their coal 'till the land was forsaken
Then they wrote it all down as the progress of man.

When I die, let my body float down the Green River
Let my soul drift on down to the Rochester Dam
I'll be half-way to Heaven with Paradise waitin'
Just five miles away from wherever I am.

Peace Is

[\(Fred Small\)](#)

Peace is the bread we break
Love is the river rolling
Life is a chance we take
When we make this earth our home
Gonna make this earth our home.

Feel the cool breeze blowing through the smoke and the heat
Hear the gentle voices and the marching feet
Singing call back the fire, draw the missiles down

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on
Call me.... Call me

Let It Be

John Lennon and Paul McCartney

When I find myself in time of trouble, mother Mary comes to me
Speaking words of wisdom, let it be.
And in my hour of darkness she is standing right in front of me
Speaking words of wisdom, let it be.
Let it be, let it be, let it be, let it be,
Speaking words of wisdom, let it be.

And when the broken hearted people living in the world agree
There will be an answer, let it be.
And tho' they may be parted, there is still a chance that they will see.
There will be an answer, let it be.
Let it be, let it be, let it be, let it be,
There will be an answer, let it be.

And when the night is cloudy, there is still a light that shines on me.
Shines until tomorrow, let it be.
I wake up to the sound of music, mother Mary sings to me
There will be no sorrow, let it be.
Let it be, let it be, let it be, let it be,
There will be no sorrow, let it be.

May the Light of Love

By David Roth

As we come around to take our places at the table,
A moment to remember and reflect upon our wealth.
Here's to loving friends and fam'ly, here's to being able
To gather here together in good company and health.

May we be released from all those feelings that would harm us.
May we have the will to give them up and get them gone,
For heavy are the satchels full of anger and false promise.
May we have the strength to put them down.

May the light of love be shining deep within your spirit.
May the torch of mercy clear the path and show the way.
May the horn of plenty sound so ev'ryone can hear it.
May the light of love be with you ev'ry day.

And may we wish the best for ev'ryone that we encounter.
May we swallow pride and may we do away with fear,
For it's only what we do not know that we have grown afraid of,
And only what we do not choose to hear.

And as we bless our daily bread and drink our day's libation,
May we be reminded of the lost and wayward soul,
The hungry and the homeless that we have in ev'ry nation.
May we fill each empty cup and bowl.

May nothing ever come between or threaten to divide us.
May we never take for granted all the gifts that we receive,
Being ever mindful of the unseen hands that guide us,
And the miracles that cause us to believe.

May the light of love be shining.....

May the horn of plenty sound so ev'ryone can hear it.
May the light of love be with you,
May the light of love be with you,
May the light of love be with you ev'ryday.

Never turning back

([Pat Humphries](#))

Gonna keep on walkin' forward
Gonna keep on walkin' forward
Gonna keep on walkin' forward
Never turning back;
Never turning back

Gonna keep on walkin' proudly. . .

Gonna keep on singin' loudly. . .

Gonna reach across our borders. . .

Gonna work to end the killing. . .

Gonna keep on movin' forward. .

Oh Freedom!

Oh, freedom!
Oh, freedom!
Oh, freedom over me!
And before I'd be a slave
I'll be buried in my grave
And go home to my Lord and be free

No more moanin'
No more moanin'
No more moanin' over me
And before I'd be a slave
I'll be buried in my grave
And go home to my Lord and be free

There'll be singin'
There'll be singin'
There'll be singin' over me
And before I'd be a slave
I'll be buried in my grave
And go home to my Lord and be free

There'll be shoutin'
There'll be shoutin'
There'll be shoutin' over me
And before I'd be a slave
I'll be buried in my grave
And go home to my Lord and be free
